

Call me Janet or J. I am passionate about design, coding and art.

I spend most of the time exploring on design which makes me stay fresh and up-to-date, and honestly it is the favourite moment that I would like to spend on every single day.

Interactive Advertising for Satu

Satu is a self-initiated toy collection figures company, proudly established in Malaysia which produces limited edition collection figures, well-designed by local, talented designers and artists by using eco-friendly recyclable materials. Because of this fast-paced society, straightforward, polished short animation and simple language are the key elements for this logo animation.
